

Spring/ Summer 2007

Our purpose is to rehabilitate the homes of low-income, the elderly and/or the disabled in our community.

How can you be a Partner?

You can support the work of Builders Care in a variety of ways:

_ Financial support of staff, administrative costs, and sponsorship of projects. 80% of our funding comes from individuals who care about the poor.

_ Donations of building supplies, materials, and tools.

_ Volunteer labor assistances on work days: The 2nd Saturday of every month! Meet at 1212 S. Monroe St. @ 8:30 AM

_ Help us tell our story by connecting us with churches, individuals, business and community groups.

**Please make your contributions payable to Builders Care Tallahassee
1026 McClendon Dr.
Tallahassee, FL. 32308**

Builders Care Tallahassee at work in 2007

_ BCT

Mrs. Ponder had water running into her home every time it rained. BCT built a retaining wall to resolve the drainage problem. We also replaced rotted siding and painted her house.

_ BCT

Mr. Dantzler built his home right after WWII. Due to an illness, he has not been able to keep up with necessary repairs on his home. BCT replaced foundation supports to keep his home safe and secure. We replaced siding and doors. We also painted his home and built a wheelchair ramp to help him get in and out of his home.

_ BCT

Ozzie cares for his 93 year old mother who has Alzheimer's, in their home. They had several leaks in their roof that caused significant damage inside their home. BCT had the privilege of replacing their roof. We also rebuilt and painted their fence.

_ BCT

Mr. Dantzler also built the home that Mrs. James lives in. Her husband bought it when he returned from WW II. BCT replaced the rotted porch supports, painted and replaced the locks on her doors.

_ BCT

Builders Care partnered with St. Peters Anglican Church in their local mission Project "Soul in the City". 45 middle and high school students spent 5 days building 3 wheelchair ramps for families who needed home access.
